

**It's Time.
Get Involved.
Volunteer.**

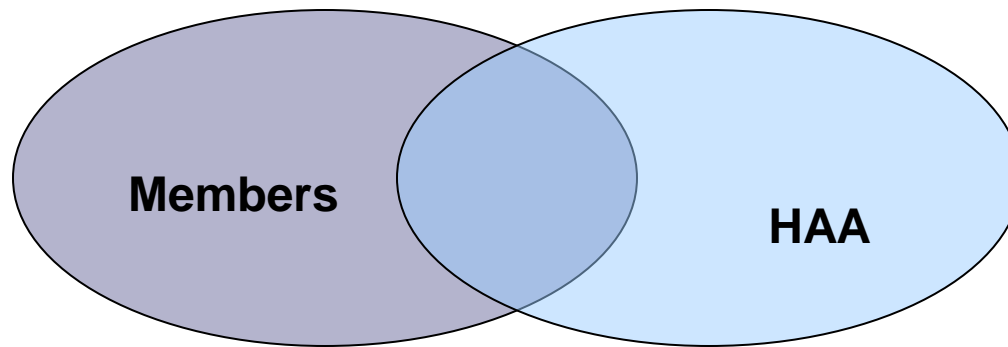

The Volunteer Program

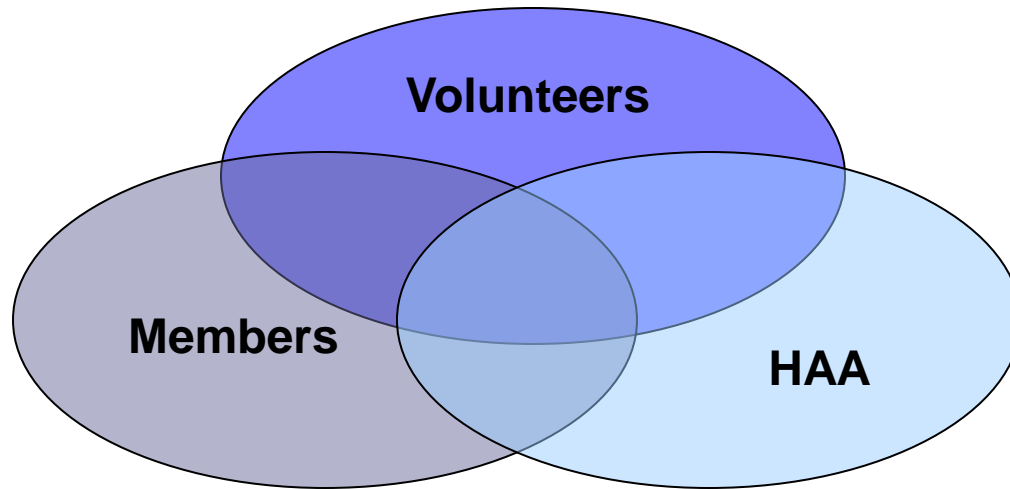

What is it?

- A formalized program
- Specific goals
- Maximize human resources
- Volunteer Program is one part of a complete, systematic approach
- Similar to managing employees
- Encourages involvement at all levels
- Provide volunteers with meaningful and productive assignments

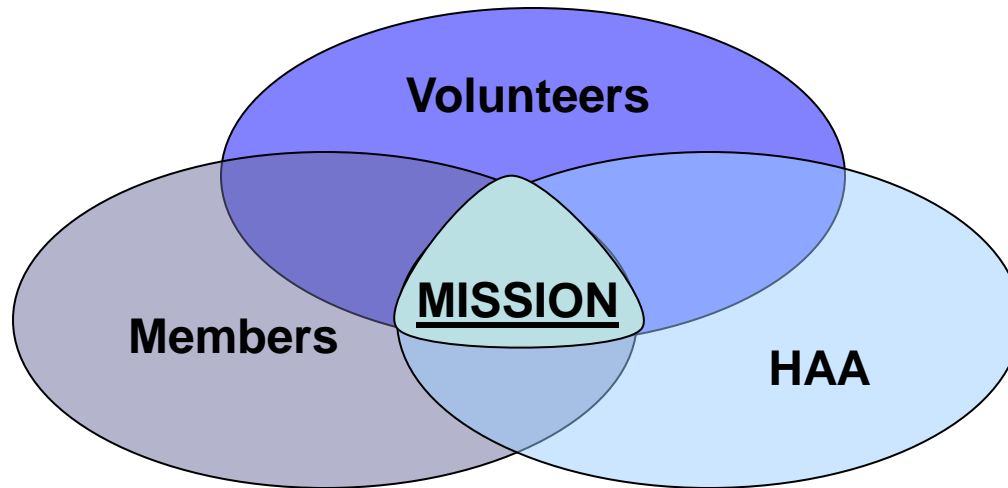

Previously

April 20, 2009

Balanced Team

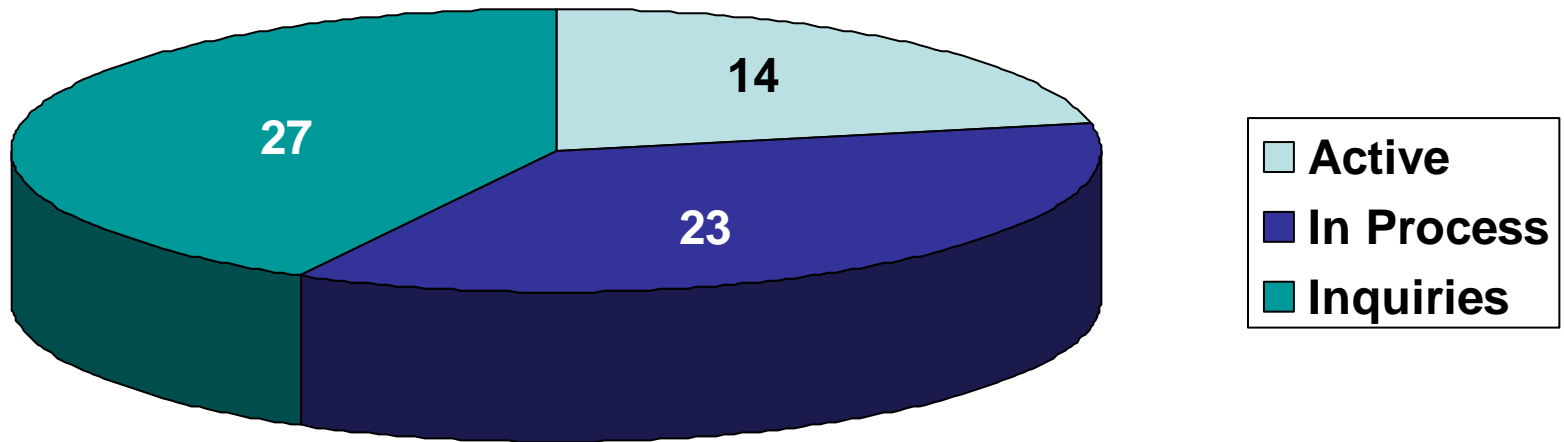

Where We Are

- The Volunteer Program launched on April 20, 2009
- Many projects are being worked on:
 - Website content
 - Educational materials
 - Proofreading
 - Translation
 - Fundraising
 - Marketing efforts
- Volunteers are helping during NCHD!

Volunteer Statistics

As of 7/31/09

Since April 20, 2009, a total of 82 hours have already been contributed.

Based on the 2008 national average hourly value of volunteer time (\$20.25/hour) that equates to \$1,660.50 worth of volunteer services donated to the HAA!

Benefits of Volunteering

- Recognition and awards for acquired hours
- Access to volunteers-only section of our website
- Satisfaction in knowing you are truly making a difference
- Opportunity to utilize your skills or learn new ones
- Opportunity to meet new people
- Opportunity for personal growth
- Opportunity to learn more about the histiocytic disorders and gain a sense of empowerment

Where Are We Going?

- Projects
- Goals
- Dreams
- Places to go, things to do
- Anyone can help!

Exciting Things to Come

- Many exciting things in the works
- New positions have been added
- New projects are being worked on
- New ideas are being formulated
- New relationships are being made

What Do I Do?

- Process is simple
